

Welcome to the JBS 2017 Potpourri Plant Sale!

This annual event's proceeds directly benefit the JBS community and at the same time support our local growers. Gardens and containers will blossom beautifully with this year's selection of annuals, tropicals, and perennials. The organically grown herbs and vegetables are sure to provide a bountiful summer harvest. The available plants have been selected for their popularity and adaptability to the St. Louis climate.

For more specific information on the available plants and their growing pattern, we suggest you visit the Missouri Botanical Garden website at www.mobot.org and click on Gardens & Gardening. You may also visit our grower's websites: www.tomosovics.com for annuals; www.jostgreenhouses.com for perennials. **We are pleased to offer plants at competitive fundraiser prices.**
