

As of August 3, 2017

From left, seniors **Ben Langton**, **Sammy Hermann**, **Shirsha Majumdar** and **Stephanie Podgorny** completed all requirements for graduation from the 2017 STARS* program at the University of Missouri-St. Louis (UMSL) and were named STARS Research Scholars. Ben, Sammy, Shirsha and Stephanie were among 96 St. Louis high school students selected for the 2017 summer program. STARS pairs academically talented rising seniors with more than 60 local scientists in the fields of biology, chemistry, computer science, earth science, engineering, environmental science, mathematics, medicine, physics and psychology. The mentors are top researchers from Confluence Discovery Technologies, Donald Danforth Plant Science Center, Saint Louis University, Washington University in St. Louis and the host institution, UMSL.

**Students and Teachers as Research Scientists*

William Howlett '18 was chosen to serve on the Federal Reserve Bank of St. Louis' 2017-18 Student Board of Directors.

Several JBS Business Club members finished in the top ten of their events at the Future Business Leaders of America National Competition in Anaheim, California, in June. **William Howlett** '18 placed third in Economics, and **Ben Langton** '18 and **Ian Sajjapong** '18 placed seventh in Global Business.

This list of student and faculty accomplishments is updated in conjunction with the mailing of the JBS Parent Newsletter. Please send news of student achievements to Lynn Phelps at lphelps@jburroughs.org for inclusion in the next revision.
