

John Burroughs School
8th Grade Community Service 2019
Driver Sign-Up

For the community service project, we need volunteers to come to Burroughs by 8:00 am to drive students to the assigned agencies; we also need volunteers to pick the kids up from the agencies at 2:30 pm and return them to Burroughs. With nearly 100 students going to over 20 different locations, we need lots of help transporting the kids during service week. If you are available to drive—even once or twice will be a huge help—please indicate your availability in the chart shown below. Please **SAVE** your available dates; driving assignments will be mailed on September 20.

Additionally, please know that as a volunteer, you may not end up driving your own child; this will depend largely on the agency locations and the number of adults who sign up to help.
