

Let It Snow

Unexpected school closings and delayed openings will be conveyed to parents as follows:

- a phone blast to local home phones,
- a recording on the school's main phone lines (314/993-4040 and 314/993-4045),
- an announcement on the school's homepage and
- announcements on local radio and TV stations (KMOX-AM 1120, KMOV-TV Channel 4, KTVI Fox 2, KSDK Newschannel 5).

For daytime closings (such as power or water outages), we will send a phone blast to local parent home, business and cell numbers.
