Dear Tuition Aid Applicant:

Please indicate on this form the amount of money you estimate you can pay for your child's educational costs (tuition and incidental expenses) at John Burroughs School for the 2017-2018 school year and return to Caroline LaVigne.

Your estimate will then be compared to the figure the School Scholarship Service furnishes the school and will assist the Tuition Aid Committee in making the most responsible decision in awarding tuition aid.

*Tuition and Activity Fee	\$27,750
**Incidental Expenses	up to \$ 1,000
Total Estimated Cost	\$28,250 - \$28,750
Parents' Estimated Contribution	\$_____ (per child)

*Please note: The above figures are based on an estimated amount for the 2017-2018 school year. The actual tuition for 2017-2018 will be announced in early March, when the budget is adopted by the Board of Trustees. The above estimated figures are given to help you ascertain the amount of money you believe you can contribute toward your child's education.

**Incidental expenses to be aware of include books, athletic gear and other optional purchases. Lunch is included in tuition, and there is no charge for the students coming to school early and staying late.
